at

Chopmist Hill Center, Chopmist Hill Road (Rt. 102),
North Scituate, RI

Featuring:

- Conservation – The Year in Review
- The 2010 Alice M. Howland Conservation Award

And...

“Historic Barns of Rhode Island: Statewide Framework and Foster, Glocester, and Scituate Pilot Survey”

This project, under the auspices of Rick Greenwood and the Rhode Island Historical Preservation and Heritage Commission, will be documenting historic barns in R.I., beginning with the pilot areas mentioned above. Because so many of the structures in Scituate relating to farming were lost in the construction of the Reservoir, efforts to document those that remain are especially important to our town’s agricultural roots.

**Join us to learn all about this valuable project
and how you can participate.**

This program is free and open to the public.

Please call Ruth Strach at 934-2277 for more information.

Your RSVP... for planning purposes only... would be helpful.
