Dog License Registration Form

Dog licenses must be renewed every year in April.

New residents should register their dogs upon moving in.

New dogs should be registered when brought home but not until the dog reaches six months of age.

Your dog must have a current rabies certificate in order to obtain a license. You may register your dog in person at the Town Hall or by mail. To register your dog by mail, please do the following:

- Print and fill out this form. One for each dog.
- Enclose a current rabies certificate for each dog (this will be returned to you).
- Enclose a check or money order made out to the "Town of Foster". The fee will be \$8.00 per dog plus a Self-Addressed Stamped Envelope, or if no envelope, then add 64¢ for each license (example: 2 dogs would be \$17.28).
- Mail to: Town Clerk's Office, Dog Licensing, 181 Howard Hill Road, Foster, RI 02825.
