

A C K N O W L E D G E M E N T - 1991

We would like to take this opportunity to acknowledge with great appreciation the contributions made to this document by the following individuals: Ann Grenier, Foster Town Planner; Walter May, Foster Public Works Director; Steven Fusco, Foster Planning Board Chair, Dan Clement, Planning Intern; all the members of the Citizens Advisory Committee (CAC) including Margery Matthews, Maggie and Kevin Fennessey who helped enormously with proof reading and editing for accuracy; in particular Bob Hohler, CAC Chair and Joyce Prew, CAC Secretary, Helen Hardy and Greg Laramie for their good work, Deborah McLaren who coordinated organization of the CAC meetings, copied huge quantities of material, mailed packets and provided gallons of coffee; and Bonnie Warren of the Rhode Island Historical Preservation Commission for her enthusiasm. Without the help and support of these individuals the task of assisting the Town in compiling the Plan would have been much more than simply monumental.

Thank you all very much!
