[foster.ema.director@gmail.com](mailto:foster.ema.director@gmail.com)

Residents of Foster,

Starting Monday, January 29th from 9:00am to 5:00pm representatives from FEMA will be going around from door to door, in regards to any damage sustained from the September storm. (Tornado) These representatives will be wearing credentials and clothing with the FEMA logo.

Do not be alarmed if they come to your door. They're here to help, especially with those households who sustained damage and didn't report it.

If you have any questions, feel free to contact me via email [Foster.EMA.Director@gmail.com](mailto:Foster.EMA.Director@gmail.com). Please fill in the Subject with Sept Storm 2023.

If you didn't sustain any damage from the Sept storm but you did with the December rain storm. Please forward any pictures of damages, your address, and contact information to [Foster.EMA.Director@gmail.com](mailto:Foster.EMA.Director@gmail.com). Please fill in the subject line with December Storm 2023.

As RIEMA is still collecting the data for the December Storms, having any information will better serve representatives when they come out to survey damages.

Sincerely,

Jayme Pirzynski  
Foster EMA Director
